💼 PROFESSIONAL EXPERIENCE

AppDiv System Development ↗
Front-end Web-Developer Intern
06/2023 – 09/2024 | AddisAbeba, Ethiopia

Being there has been more than just a good time – it's been a whirlwind of learning and growth. I'm thrilled to have honed my problem-solving skills through real-world coding challenges, and observing the developer team in action has been incredibly inspiring. I feel much more confident about navigating the professional development environment.
